

Walking Off Your Map

7 Keys to an Extraordinary Life

Why not you, why not now . . .

Every person is designed for great purpose but few discover it. It's time for what we know to be true in our hearts to show up in our lives. These simple, yet timeless principles will empower you to live a life of fulfillment and significance despite what is going on in the chaotic world around you. Become the Christopher Columbus of your future and dare to lose sight of the shore. We are called to fall in love with the unknown, to walk off our map and pull out our compass . . . it's a place called Destiny.

Walking Off Your Map

"Moving from Ordinary Results to Extraordinary Success"

Life is in session. Are you present? Every person and organization can achieve greatness; the possibilities are limitless. However, embracing change and breaking the chains of mediocrity are no small tasks. Be empowered to rise to the next level and reach your full potential through Tonya's insights that will help your team:

- Define success vs. significance and how to achieve both
- Build inner resilience despite outside pressure
- Intentionally fulfill your purpose in any position

Why Can't You Be Normal Like Me
